**IF YOU HAVE ANY SYMPTOMS OF COVID LIKE COUGH, COLD, FEVER OR BODY PAINS OR ANYONE OF YOUR HOUSEHOLD CONTACTS DIAGNOSED WITH COVID-19, PLEASE DO NOT COME FOR THE MEDICALS. WE CAN HAVE YOUR APPOINTMENT REBOOKED WHEN YOU ARE IN PERFECTLY GOOD HEALTH.**

**IF YOU HAVE ALREADY TAKEN COVID VACCINATION, PLEASE BRING YOUR PROOF OF VACCINATION FOR THE MEDICALS WITHOUT FAIL TO UPDATE IN YOUR CASE.**

**In view of the ongoing pandemic we have discontinued the canteen services at the clinic and would advise you to bring appropriately planned boxed snacks for yourselves, as the process takes a few hours. Inconvenience regretted - Please do cooperate.**

**We request you to wear a fresh surgical double mask (the typical blue ones or any variants) instead of cloth masks when you come for the medical exam.**

Dear Mr. Rohith Nadukuda,

Greetings from CMM!

**We are booking your appointment on Thursday, 23rd February 2023 at 10:30 AM for the medical evaluation. Please make sure that you come on time. In case you have got an earlier appointment at another centre, kindly inform us about the cancellation so that another person can be given the appointment.**

**Should any changes in the date and or time arise we would inform you.**

In case of emergency please let us know. We would try to accommodate but cannot guarantee.

I. As per the government directives - all applicants are requested to wear face masks when they come for their medicals. NO MASK, NO ENTRY.

II. To restrict the rush and reduce risk - no accompanying persons (attendants) will be allowed and only applicants will be allowed. For minor kids and elderly people kindly mention beforehand your need for an attendant and we would consider the same.

III. Physical distancing of at least one meter to be followed at all times.

IV. We request that you have a good breakfast/lunch before coming. **No fasting is required.**

**Please read all the below instructions carefully before coming:**

The process involves 2 stages– the first one for testing and the second one for physical examination by the panel physician. The process involves 2 stages– the first one for testing and the second one for physical examination by the panel physician. For most of the cases the whole process would take a minimum time of 3-4 hours from the time of registration. It could be longer than usual in some cases depending on the medical history and during student season. It is required to undress to underwear during the examination.

Documents to be brought at the time of visit for each applicant (Mandatory):

1. **Valid Original Passport (Absolutely mandatory, without which we cannot proceed with the medical evaluation).**
2. **Printed eMedical referral letter which contains the HAP ID or TRN number.** Please keep a copy of the e-Medical HAP referral letter for your future purposes as the copy submitted to us will not be returned
3. Two clear xerox copies of the first and last page of the passport on an A4 sheet of paper.
4. **Do bring your medical records/surgical discharge summary and/or current prescription card/medicines - if any.**

**Failure to bring the above documents will delay your process.**

S.No	Temporary Resident		Permanent Resident	
	Type	Cost (Rs)	Type	Cost (Rs)
1	Adults (Above 11 years)	Rs 5200/-	Adults (Above 15 years)	Rs 6000/-
2	Children (5-11 Years)	Rs 4200/-	Children (11-15 years)	Rs 5200/-
3	Children < 5 Years	Rs 3700/-	Children (5-11 Years)	Rs 4500/-
			Children (2-5 Years)	Rs 4000/-
			Children <2 years	Rs 3700/-

**If pregnant, you will have to undergo HIV test (Rs. 900/-)**

**Please bring the amount in cash or at your arrival inquiry at the reception for details of NEFT/IMPS and online methods of payment.**

\*\*\* If you are a medical professional there will be additional tests (HIV- Rs 900/-, IGRA- Rs.4000/-, HBsAg & Anti HCV- Rs. 1400/-). This will be charged in addition to the regular fees of Temporary and Permanent categories.

Please Note - Additional tests if required after examination by the Physician would be charged additionally to the client.

**\*\* Please note that for children between the age of 2 to 10 years, a TST would be done in permanent cases and in temporary cases only if required and decided by the PP and the child will have to come back between 48 to 72 Hours for the reading.**

Alternatively there is an option of IGRA testing in place of TST, for this, the child would need not come a second time for the reading, however, should the IGRA Test turn out to be positive the child would need to come for a chest X ray. The cost will be Rs. 4000.

**Women:** Please note that the urine test would return abnormal if done during or soon after the menstrual period. So it is advised for you to request for an appointment 8 days after the first day of the period. Do mention your menstrual date in your reply.

**Applicants below the age of 18 years should be accompanied by a parent or a guardian and for the elderly one attendant will be allowed inside the building (if required).**

**Due to the student season the medical process may take much longer than usual, you are requested to kindly cooperate**
